| Clin# | Item | Description | UM | Unit Price | Install Price | Total Price |
|--|---|--|------------------------------|--|--|---|
| | | Material Pricing includes 1000' reel of Cat 6 plenum Cable. The labor pricing includes the installation of 1000' of Cat 6 cable in standard drop | | | | |
| 1 | Category 6 plenum cable | ceiling with no terminations or cable support | CLF | \$ 0.28 | \$ 1.43 | \$ 1.71 |
| | Cotosos C Consentes DIAS Adedulas Dive | Material pricing includes one Cat 6 RJ45 Modular Plug (male). The labor pricing includes the termination of one Cat 6 RJ45 male modular plug. | | | 4 0450 | |
| 2 | Category 6 Connector RJ45-Modular Plug | Testing of connection is also included in Labor pricing Material pricing includes one Panduit Cat 6 Jack. The labor pricing includes | EA. | \$ 2.95 | \$ 84.50 | \$ 87.45 |
| 3 | Category 6 Jack RJ45 | the termination of one Cat 6 jack. Testing of connection is also included in Labor pricing | EA. | \$ 6.75 | \$ 84.50 | \$ 91.25 |
| | | Material pricing includes one 4 Panduit port faceplate and one dry wall ring to attach faceplate to. No conduit/wiremold has been included. | | | | |
| 4 | Faceplate | Labor pricing includes the mounting of 4 jacks into faceplate and attaching faceplate to wall via dry wall ring | ΕΛ | \$ 4.75 | ¢ 27.50 | \$ 42.25 |
| 4 | racepiate | Material pricing includes one Cat 6 48 port patch panel with one 2RU | EA. | \$ 4.75 | \$ 37.50 | \$ 42.25 |
| | | Horizontal Wire Manager. Labor pricing includes the mounting of patch panel to existing rack and the termination of one Cat 6 cable. Testing is | | | | |
| 5 | Patch Panel Port | also included in labor pricing Material pricing includes installing one 2" jhook to building structure. No | EA. | \$ 450.00 | \$ 84.50 | \$ 534.50 |
| | | sleeves, innerduct, wire tray, conduit, has been included in material | | | | |
| 6 | Hanger/Support | pricing. Labor pricing includes installation of one 2" J-hook to building structure. | EA. | \$ 4.25 | \$ 7.50 | \$ 11.75 |
| | | Material pricing includes one FIBT-S3A-114 Transmitter. Labor pricing | | | | |
| 7 | FIBT-S3A-114 transmitter | includes the mounting of one tranmitter to the wall. Testing is also included in labor pricing | EA. | \$9,105.50 | \$ 84.50 | \$ 9,190.00 |
| | | Material pricing includes one FOC-116U-SA fiber splitter. Labor pricing | | | | 7 0,200.00 |
| 8 | FOC-116U-SA fiber splitter | includes the mounting of one splitter to the wall. Testing is also included in labor pricing | EA. | \$742.89 | \$ 37.50 | \$ 780.39 |
| | | Material pricing includes one FIRRA-S4S-860-43P receiver. Labor pricing | | | | , , , , |
| 9 | FRRA-S4S-860-43P receivers | includes the mounting of one receiver to the wall. Testing is also included in labor pricing | EA. | \$1,291.46 | \$ 84.50 | \$ 1,375.96 |
| | 245 Circle Manda Filesy/2006th | Material Pricing includes 1000' reel of Fiber plenum Cable. The labor | | 64 470 00 | | |
| 10 | 24F Single Mode Fiber(200ft) | pricing includes the installation of 1000' of CaFiber plenum cable in standard drop ceiling with no terminations or cable support | EA. | \$1,170.00 | \$ 37.50 | \$ 1,207.50 |
| | ST 50/125 CONNECTORS | Material pricing includes one ST 50/125 CORNING Connector. The labor pricing includes the termination of one ST CORNING Connector. Testing of | | \$1.11 | | |
| 11 | 31 30/123 CONNECTORS | connection is also included in Labor pricing | EA. | 31.11 | \$ 84.50 | \$ 85.61 |
| | COAX Cable CATV | Material pricing includes one CATV cable. The labor pricing includes the termination of one CATV cable. Testing of connection is also included in | | \$1.11 | | |
| 12 | | Labor pricing | EA. | | \$ 84.50 | \$ 85.61 |
| | COAX Connectors | Material pricing includes one COAX CONNECTOR Connector. The labor pricing includes the termination of one COAX Connector. Testing of | | \$1.63 | | |
| 13 | | connection is also included in Labor pricing | EA. | | \$ 84.50 | \$ 86.13 |
| | | Material pricing includes label tape required for proper labeling at the faceplate, patch panel and cable labels required every 50' of the cables. | | | | |
| | 1-1-1 | Labor pricing includes the installation of labels for faceplates at the | | | | |
| 14 | Label | workstation, patch panel and every 50' of cables based on a 200' cable run. | EA. | \$ 4.15 | \$ 25.00 | \$ 29.15 |
| | OPTIONAL LINE ITEM PRICING- BASE YEAR - PRICING | | | | | |
| | AFTER HOURS PRICING AND RATES HAVE BEEN INCL | WDED. Material pricing includes one Panduit Cat 6 108 port wall mounted 110 | | | | |
| 15 | Panduit Category 6 110 High Density Block | block kit. Labor pricing includes intstallation of 110 block to wall and the termination of one Cat 6 cable to 110 block | EA. | ć 225.00 | \$ 84.50 | \$ 309.50 |
| 15 | Failulit Category of 110 High Delisity Block | Material pricing includes one Cat 6 24 port patch panel with one 1RU | EA. | \$ 225.00 | \$ 64.50 | \$ 309.50 |
| | | Horizontal Wire Manager. Labor pricing includes the mounting of patch panel to existing rack and the termination of one Cat 6 cable. Testing is | | | | |
| 16 | Panduit Category 6 24 port patch panel | also included in labor pricing Material pricing includes one 10' stick of Panduit LD10 wiremold, 1 Panduit | EA. | \$ 250.00 | \$ 84.50 | \$ 334.50 |
| | Panduit LD10 wiremolding with box and misc | wall box, and misc connectors/hardware. Labor pricing includes installation of one 10' stick of Panduit LD10 wiremold to wall or building | | | | |
| 17 | connectors | structure along with box and misc connectors/hardware. | EA. | \$ 33.00 | \$ 68.25 | \$ 101.25 |
| 18 | 2" Firestop Sleeve Installation (Drywall) | Material pricing includes one 2" pre manufactured firestop sleeve. Labor pricing includes installing 2" sleeve into a drywall wall. | EA. | \$ 39.50 | \$ 49.50 | \$ 89.00 |
| 19 | 4" Firestop Sleeve Installation (Drywall) | Material pricing includes one 4" pre manufactured firestop sleeve. Labor pricing includes installing 4" sleeve into a drywall wall. | EA. | \$ 72.75 | \$ 49.50 | \$ 122.25 |
| | , , , , | Material pricing includes one 2" pre manufactured firestop sleeve. Labor pricing includes installing 2" sleeve into a block/concrete wall no thicker | | | , ,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,,, | |
| 20 | 2" Firestop Sleeve Installation (Block/Concrete) | than 12" | EA. | \$ 39.50 | \$ 100.00 | \$ 139.50 |
| | | Material pricing includes one 4" pre manufactured firestop sleeve. Labor pricing includes installing 4" sleeve into a block/concrete wall no thicker | | | | |
| 21 | 4" Firestop Sleeve Installation (Block/Concrete) | than 12" Material pricing includes no more than 75' of 1" plenum innerduct to run | EA. | \$ 72.75 | \$ 100.00 | \$ 172.75 |
| | | between wire trays with associated bushings, connectors, and couplers. Labor pricing includes the installation of up to 75' of 1" plenum innerduct | | | | |
| 22 | 1" plenum innderduct-wire tray installation | and the installation of associated bushings, connectors, and couplers. | EA. | \$ 185.00 | \$ 160.00 | \$ 345.00 |
| | | Material pricing includes firstopping materials (putty, caulk, muffins,etc) into one existing or new 4" vertical penetration. Labor pricing includes | | | | |
